NOT A PERMIT

SPECIAL FILMING CONDITIONS
FOR THE PASADENA GLEN AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Pasadena Glen area is a private secluded canyon in northeast Pasadena. The area is characterized by narrow, steep, winding roads which are comprised of approximately 55 homes on three private streets: Old Grove Road, Pasadena Glen Road and Shaw Ranch Road. The only access to Pasadena Glen is via Vosburg Street. The following Special Filming Conditions have been established to allow for safe and responsible film production.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.* **Notification is to include Vosburg Street (the entire street), and ONE LARGE (at least 8.5" x 11") notification on the PGIA Bulletin Board at the base of the access road from Vosburg Street to Pasadena Glen Road. This one notice will cover all of the following streets: (approximately 55 homes)**: **Old Grove Road, Pasadena Glen Road and Shaw Ranch Road.**

- **Personal vehicles of cast/crew are not permitted to park on area streets.** Off-site parking must be provided by the production company and cast/crew must be shuttled to and from the location.

- **Vosburg Street is the only access road into and out of the Pasadena Glen Area. Therefore parking and posting on Vosburg Street is limited to one generator and one stake bed or cube truck on one side of the street only.** *Companies must provide space (at least the length of two cars) between the generator and the equipment truck. LOITERING IS STRICTLY PROHIBITED.*

- **Additional posting/parking is allowed on the shoulder of the road on East side of Sierra Madre Villa Avenue from Vosburg south 150'.** *When requesting posting for parking, please be aware that trash collection day is on Friday.*

- **Posting and/or parking requires that CHP or Sheriff be assigned to ensure safe traffic flow.**

- **No parking at the east end of Vosburg, on either side, as this impedes the ability of drivers to safely navigate the turn on or off of the one-lane access road.**

- **Due to the very dry brush and flammable conditions present in the canyon, smoking is prohibited.**

- **Production companies are required to completely remove all trash, food, cardboard boxes, etc. from the general vicinity at the end of each filming day.** *The area should be returned to the same or better condition.*

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** *The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.*

FilmL.A. Inc. NOT OFFICIAL PERMIT
